

BA Cup Disciplinary Committee:

Disciplinary sanctions

BA Cup does NOT allow acts of aggression or discrimination of any kind (verbal or physical). Those actions will result in an automatic expulsion from the tournament.

1) Responsibilities of each coach and team representative:

Coaches and team representatives are responsible for the behavior of the team, players, staff, parents/family members/guests, on and off the field, in all tournament facilities (hotels, fields and surrounding areas, transportation, restaurants, recreational areas, etc.) used by the organization during the tournament.

There must be respect towards the tournament rules, the referees, players, overseers, scouts, the organizing staff and public in general.

The referees and overseers will address coaches and team representatives in case there is any improper conduct by players, coaching staff, or the team's guests/public. Individuals may be warned, yellow carded, red carded or expelled for any of the aforementioned reasons.

The coach/team representative has the right to appeal to the disciplinary committee if he/she does not agree with the decision made by the referee and organizing staff. The appeal must be made immediately after the game, signed and turned into the organizing committee.

C) General public:

After a second warning to the coaching staff regarding inappropriate conduct from the public, the referee - or the organizing committee - can terminate the game.
